

REMARKS

The Applicant appreciates the courteous and complete examination of the application by the Examiner. In view of the following remarks, issue fee payment dated 11/02/2009, and the following petition for revival of an application, a reconsideration of the instant application is respectfully requested.

The NOTICE OF ABANDONMENT dated 02/03/2010 indicated that the Applicant has failed to timely file corrected drawings as required. The error occurred in that a replacement drawing sheet was prepared which corrected all informalities indicated by the Examiner during a telephone interview on 09/30/2009 and in the Notice of Allowance dated 10/19/2009, but the replacement drawing sheet file was not attached correctly to the Electronic Filing System (EFS) issue fee submission dated 11/02/2009 and therefore was not submitted. This error was done unintentionally and without any deceptive intent. Subsequent of the above-identified telephone interview, a facsimile was sent to the Examiner on 09/30/2009, as requested by the Examiner and as indicated on the Continuation Sheet in the Notice of Allowance, containing clarifying amendments. The clarifying amendments included a discussion in the Remarks section which described the amendment to the Fig. 3b of the replacement drawing sheet, thereby notifying to the Examiner that a replacement drawing sheet will be submitted and that the Applicant had full intentions of complying with the corrected drawing request.

In response to the Notice of Abandonment, the Applicant respectfully submits herewith a reply to the Examiner's drawing objection and a replacement drawing sheet which corrects the informalities indicated in section 1 of the Examiner's Amendment included in the Notice of Allowance.

With the above reply being fully responsive to all formal requirements, it is respectfully submitted that this petition is now complete, and acceptance of the application is earnestly solicited. Should the Examiner feel that there are further issues which might be resolved by means of telephone interview, the Examiner is cordially invited to telephone the undersigned at (403) 444-5695, or by email at davidguerra@internationalpatentgroup.com.

A petition to revive unintentional fee of \$810.00 is provided herewith.

Respectfully Submitted,

/David A. Guerra/
